

Improve Engineering Efficiency & Reduce Overall Costs with Aspen Process Modeling Tools Seminar cum Workshop

January 20, 2009 Tuesday, Impiana KLCC Hotel & Spa, Kuala Lumpur, Malaysia

Time	Agenda
Morning Seminar	
9.00 AM	Registration
9.30 AM	Welcome & Introduction
9.40 AM	aspenONE Process Engineering Overview
10.40 AM	Highlights of Aspen HYSYS V7
11.30 AM	Tea Break
11.45 AM	Optimal Heat Exchanger Design Through Seamless Integration of Aspen HYSYS– Aspen Exchanger Design Rating software
12.45 PM	Lunch
Afternoon Workshop Session	
1.45 PM	HYSYS Dynamics - Dynamic simulation with HYSYS Dynamics - Basic Introduction of HYSYS Dynamic - Transitioning from Steady State to Dynamics
3.45 PM	Tea Break
4.00 PM	Aspen Simulation Work Workshop -Integration between AspenTech's process simulators and Microsoft Excel
5:00 PM	Closing Remarks
